OUR STORY

Imperial Mica takes pride in introducing its inaugural ideal, a fusion "idea" and "Execution". This unique compilation is a testament to modern decor concepts and cutting-edge advancements in laminates. Our ideal carefully curates decor inspirations, empowering you to elevate your surroundings to new heights of sophistication.

Inspired by the graceful contours found abundantly in nature, the ideal incorporates abstract shapes, accompanied with a vivid spectrum of colours, soothing the eye while also accentuating designs and patterns with an undeniable colorful allure.
