OUR STORY

Nepal Lam takes pride in introducing its inaugural ideal, a fusion “idea” and “Execution”. This unique compilation is a testament to modern decor concepts and cutting-edge advancements in laminates. Our ideal carefully curates decor inspirations, empowering you to elevate your surroundings to new heights of sophistication.

Inspired by the graceful contours found abundantly in nature, the ideal incorporates abstract shapes, accompanied with a vivid spectrum of colours, soothing the eye while also accentuating designs and patterns with an undeniable colorful allure.

MD 6591

FEATURES

A Complete dimensionally stable product with the unique resistance power against.

- Surface Wear
- Any kind of Stain
- Immersion in Boiling Water
- Scratching
- Cigarette Burns

PRODUCT SPECIFICATION

Product : Decorative Laminates Sheets
Size : 2440 x 1200 mm
Thickness : 0.8 mm (± 0.05 mm)
Finish : Matt, Gloss, SF and World Class Textures

MAINTENANCE

Clean with mild soap solutions or household detergent, abrasive cleaners should not be used. It is recommended for vertical use only. Avoid direct sunlight.

RESISTANCE

To surface wear, immersion in boiling water, dry heat, impact by small dia. ball, cigarette burns, staining, scratches, color change in xenon light.

- Guaranteed Thickness.
- High Quality Back Sanding.
- The samples shown in the Shade Chart are only indicative of the colors, patterns, and shades available.
- Company warrants that all its products are free from manufacturing defects and perfectly fits for use under normal conditions. In case of any claims, the liability of the company is however limited to the cost of the product only.

DISCLAIMER : Customers are advised to reconfirm Selected laminate when placing orders as our liability does not include claims arising from sample chip pasting error. Samples presented are indicative to color, pattern and surface finish but not of actual thicknesses. All metallic patterns series recommended for vertical application only. Limited Warranty : NEPAL LAM warrants that its products are reasonably free from manufacturing defects. The products when properly used, will comply, with normal deviation, related manufacturing specifications. This warranty shall be limited only to the original buyer for a period of care. It is recommended that the products must be inspected prior to installation and our liability will be limited to the extent of the cost of the products only. NEPAL LAM products are used for various applications without the possibility of control over the manufacturing of the finished products. The company does not assume obligations or liabilities arising from the furnishing, sale, installation or repair, use or subsequent sale of any product, to any person or entity.
